

# COVID-19 UPDATE & VIRTUAL TOWN HALL

JANUARY 26, 2021

[de.gov/coronavirus](https://de.gov/coronavirus)

STATE OF DELAWARE

# DATA UPDATE

---

**602.4**

**New Cases**

*7-day Average*

**8.5%**

**Positive Tests**

*7-day Average*

**383**

**Hospitalizations**

[de.gov/healthycommunity](https://de.gov/healthycommunity)

# WEEKEND BRIEFING

---

## 11,000 vaccinations *delivered this weekend at* DPH's Delaware City & Georgetown DMVs

---

- ChristianaCare Events: **2,956 vaccinations for mostly 65+ and Phase 1A**
- **2,600 doses left in DPH warehouse** by end of weekend

# Expanding Access to Vaccinations

***Large  
Vaccination  
Events***

***Primary  
Care  
Providers***

***Pharmacies:***  
*those taking  
appointment on  
website*

***Outreach:***  
*smaller targeted  
events; those unable  
to leave home*

# HAPPENING THIS WEEK

---

## 1 VAULT HEALTH

- Vault Health event in Wilmington Tuesday
- Invites through community made Sunday

## 2 CURATIVE

- Two Curative events in Dover this week – *all slots filled*
- Invites to waiting list made Tuesday

## 3 DPH “POD” LARGE EVENT

- DPH event (“POD”) – will send invites to waiting list

Join Waiting List (65+): [\*\*vaccinerequest.delaware.gov\*\*](https://vaccinerequest.delaware.gov)

# **SECOND DOSES**

---

- **Limited supply** – 18,000 doses arriving this week versus 70,000 1A, 200,000 1B
- **The science:** First dose provides 52%-80% protection
- **Decision:** More people with some protection versus fewer with full protection

**Focus on first dose = Fewer hospitalizations and deaths**

# Q&A

**Ask your questions  
in the comments**

*Please include your  
**name** and  
**hometown***
